CHALLENGE

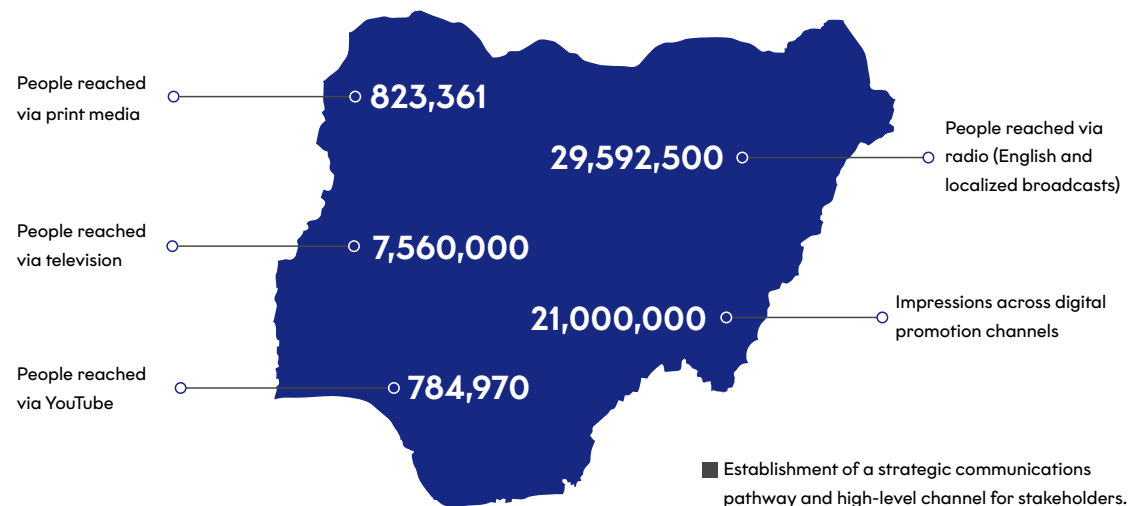

Reshaping the Narrative - Nigerian Police Reform

Subtle is the loudest way to influence change when you are strategically initiating, launching and communicating the reform of the Nigerian Police.

The Nigerian Police Force (NPF) faced a critical need to regain public trust and implement widespread reforms following years of institutional challenges and the historic EndSARS protests.

The Presidential Road-map for Police Reform offered a path forward, but effectively communicating these changes to a skeptical public was essential for success.

Key Results:

SOLUTIONS

Takeout Media partnered with the Police Reform & Transformation Office (PORTO) to develop a strategic communication plan for the police reform initiative. Our approach encompassed:

Stakeholder Engagement

Data-Driven Research and Strategy

Compelling Content Creation

Let's create
successful
business stories.
